bmi Regional / Loganair begins codeshare routes

bmi Regional and Loganair have become part of a new regional airline group, under newly appointed Chief Executive, Peter Simpson.

The two airlines operate in clear niche markets in vital roles such as feeding traffic to mainline carrier networks like Lufthansa, Brussels Airlines and British Airways, with Loganair operating a successful franchise with major regional carrier Flybe.

Delta Introduces Auto Check-In for App Users

Delta Air Lines has added automatic check-in to the Fly Delta app to streamline the check-in experience for customers and take the guesswork out of accessing a boarding pass.

"Auto check-in provides that peace of mind in a simple, automated solution that also saves valuable time."
Rhonda Crawford, Vice President – Global Distribution & Digital Strategy.

New Team Member

Introducing Caprice the newest member of our Canterbury reservations team.

At just 20 she is the youngest team member to join Marine Travel, but brings with her 3 years travel experience in the maritime sector.

Our Canterbury office had a fun Halloween Day on the 31st October. We donned fancy dress, brought in lots of tasty cakes and treats, had a quiz. Most importantly raised £46.10 for the Pilgrims Hospice, Eileen's choice of charity.

We would love your feedback.
Drop us an email to development@marine.travel and have your say.
