Owing to roadwork's and infrastructure changes at and around Manchester airport please allow plenty of time to pass security check points and to reach your gate.

## What does this mean to you?

### airBaltic signs codeshare deal with TAP Portugal

This partnership will enable airBaltic passengers more options to travel within the network of TAP, including Brazil, Portugal and Africa.

In turn this agreement will offer TAP Air Portugal passengers better connectivity to the Baltics, Scandinavia and eastern Europe.

## Meet the Team

Rebecca joined our Canterbury accounts team earlier this year, having previously worked as an accountant as a payroll assistant.

In her spare time she enjoys socialising, spending time with her family and exploring new places.
