

Marine Travel
time and tide wait for no man

THE MANIFEST

Marine Travel - We understand the marine travel industry and know things can change as quickly as the tide.

Supplier of the month - LOT Polish Airlines

Established in 1929, LOT is one of the oldest operating airlines. Now a modern airline with a fleet of over 70 aircraft and a network to over 100 destinations, LOT has been at the forefront of passenger air travel for 90 years.

LOT is the only airline to offer a 3-cabin service between London City Airport and Europe. 4 new Embraer E190's were acquired to operate this route.

This aircraft offers exceptional comfort with its 2 x 2 configuration and a seat pitch of 31" with adjustable headrests.

With a modern fleet of 787 Dreamliners exclusively operating to long haul destinations, LOT offers a 3-cabin service across the entire network, except for domestic connections.

A proud member of Star Alliance offering you seamless travel throughout the world through the code-share agreements with partner airlines.

2019 saw LOT open 3 new direct flights from London City Airport to Warsaw, Budapest and Vilnius. Flights operate to each destination twice a day during the week with one flight a day on the weekend.

Airline Updates

- Lufthansa are launching a new route to Munich 6 days per week from February 2020. This route will complement the existing Dusseldorf service with Eurowings.
- Loganair launch Bergen (April 2020) and Guernsey (May 2020) in addition to their existing routes to Stavanger, Brussels, and Aberdeen from Newcastle.
- British Airways will launch a new route from April 2020 from London Gatwick to Antalya, Turkey.
- Austrian Airlines is set to begin its first route from Birmingham Airport next year. Service to Vienna will begin on 1st January 2020 and operate on Mondays, Wednesdays, Fridays and Sundays.

Manchester Airport

Manchester airport has launched a new partnership with Airportr, allowing travellers to have luggage collected from their home, office or hotel and checked in at the airport ahead of departure. The service costs from between £20 and £36 for one piece of luggage (depending on collection location), with additional bags costing £7 each. A driver collects and weighs the luggage, scans passengers' passports and boarding passes, and seals the luggage in coded, tamper-proof bags. Customers are sent IATA bag receipts after airport screening, around 90 minutes before take-off. Visit the Airportr website for more details and how to book - <https://airportr.com/>

British Airways On Business

British Airways On Business Members will earn double On Business Points on up to five return flights or 10 one-way sectors when they register, book and fly by 31st December 2019.

Offer must be activated before making a booking. Offer will only be valid if activated in the On Business Member portal [here](#). This can be done by the On Business Authoriser/Administrator.

For more information and full Terms and Conditions visit ba.com/backtobusiness

Newcastle Airport

New Premium Meet and Greet Car Park launched at Newcastle Airport. This facility is located only 30 metres from the terminal building and features a modern, high specification reception area and a high tech photographic booth which inspects the condition of the vehicle on entry and exit. Ask our reservation team for more details.
