The UK government is advising people to allow up to ten weeks for the processing of British passport applications, with demand currently at an all-time high. The Home Office said that over five million people had delayed applications during 2020 and 2021 due to the Covid-19 pandemic, but warned that "with international travel returning to normal, more and more people are applying for a new passport".

Please can we stress the importance of providing the correct spelling of the passengers full name for all tickets we issue.

The name must match exactly as stated in the passport, as the majority of airlines do not permit name changes.

After our successful aid trip to the Ukraine/Poland border earlier this month we would like to do more to support the Ukrainian people.

It became apparent that there is a desperate need for medical equipment and transport. Therefore we would like to try and raise enough funds to buy 2 or 3 used UK ambulances, fill them with medical supplies and drive them down into Ukraine. For further

information and to donate - <https://www.gofundme.com/f/xgczp-ambulances-for-ukraine>
