Border Force staff at airports to strike over Christmas

Border Force staff are expected to walk out on eight days between 23rd December and New Year's Eve at Birmingham, Cardiff, Glasgow, Gatwick, Heathrow (terminals 2, 3, 4 and 5) and Manchester airports, as well as at the port of Newhaven.

Please check the status of your flight before travelling to the airport and allow extra time to check in and pass through passport control as significant delays are expected.

On Friday the 16th December our team based in our Manila office will be having their Christmas party. Please bear with us during this time as you may notice a delay with our response time. Thank you

As a reminder we are open 24/7 over the festive season. Whether you need to make a new reservation or changes to an existing booking please call or email us
