Happy New Year from all of us at Marine Travel

HM Passport Office has announced plans to increase the fees for new and renewed applications from next month.

Subject to Parliamentary scrutiny the fee for a standard online application made from within the UK will rise on 2nd February from the current £75.50 to £82.50 for adults, and from £49 to £53.50 for children. Meanwhile postal applications will increase from £85 to £93 for adults, and from £58.50 to £64 for children. The last time the charges were increased was in March 2018, when there was a particularly steep rise in postal application fees, to encourage customers to apply online.
