HM Passport Office Industrial Action

The Public and Commercial Services (PCS) union has announced industrial action which will see HM Passport Office workers strike for five weeks. More than 1,000 workers will take part in the action from 3rd April to 5th May over a dispute about pay and conditions.

UK passport applicants are advised to allow up to 10 weeks for all first time and renewal passport applications. At peak times - including the month of April when the strike will take place - the Passport Office can receive as many as 250,000 applications per week.
