

Marine Travel
time and tide wait for no man

The Manifest - May 2023

Our Manila office celebrates 10 yrs

Back in 2013 we opened a new office in Manila to support our UK team and to provide us with a continual service.

Over the years our reservation staff in both offices have travelled out to meet their fellow colleagues and to train together. We're proud of all that we have accomplished as a team and can't wait to see what the future holds.

Meet our team at Seawork in Southampton next month.
Come along to our stand P19 located in Hall 1

Virgin Atlantic has relaunched its 'Twilight Check In' service for customers departing Manchester airport. Check-in is offered between 1600 and 2000, for all flights departing the following day.

The carrier announced the return of the service enabling passengers to check in and tag and drop checked luggage the evening before flight departures. Virgin Atlantic currently operates flights from Manchester to Atlanta, Barbados, New York JFK and Orlando.
