Thank you to everyone who popped by our stand during Seawork earlier this month. It was a pleasure to see so many familiar faces and to meet new people as well.

### New Directors

We are delighted to announce that Claire Hewitt and Ian Thurston have been invited to join the board of directors. They have both been with the company since 2007 and have been an integral part of our team and we're excited to watch them succeed and grown the company across all office locations.

Claire is now the Finance and Administration Director and will be responsible for accounts and administration as well as HR. Ian is now the Director of Operations and will oversee our reservations teams in all offices.

Etihad Airways recently undertook the inaugural flight of its year-round services to the Portuguese capital of Lisbon. The flight, EY63, landed in Lisbon on Sunday, June 18th marking the start of regular thrice-weekly services from Abu Dhabi.

The new service will be operated on Tuesdays, Wednesdays and Sundays using its Boeing 787-9 Dreamliner aircraft, offering 28 seats in business and 262 seats in economy.
